WELCOME TO THE MIRAGE

This 5 room house design has absolutely everything a growing family could need – and all of the extras. 5 bedrooms offer space for you, your children and guests. A double garage provides ample parking, adjoined to a mud, storage room and a butler's pantry will allow all the space you need to keep everyone well-fed and content.

This home design takes day to day living into account and perfectly accommodates everyone's needs. It's a feat in 5 bedroom house plans single storey designs. Not only does it provide sufficient en suites to accommodate family and guests, but there's also plenty of storage space throughout the house. A study is also ideal for remote workers, freelance workers or those of us who have to answer a few emails in the evening!

This home has more than day to day living covered. While a kitchen, meal space and bathroom may be expected in any home, features such as the home theatre in this home design really go above and beyond expectations. This is the perfect space to entertain guests or keep the kids occupied.

The master bedroom is set separate to the rest of the property alongside a spacious walk in wardrobe and ensuite.
